

Guacamole

Ingredients:

6 large Avocados
1 small Onion, chopped very fine
1 tbsp New Mexico Chili Powder
1 tsp Garlic Salt
Black Pepper to taste
½ Lime, juiced. Add lime juice to taste (it is likely that you will not need all the juice).

Directions:

Halve avocados and remove seeds.
Scoop out and place in mixing bowl.
Mash avocado, add 1 tbsp of lime juice, half of the garlic salt, chili powder and onion.
Mix lightly and taste.
Add lime juice and garlic salt as needed.
Serve as a dip for the Mexican won tons.
